## MY PERSONALITY DESCRIPTION

"I brand my self as a person that **visioner**, **friendly**, and **act-oriented**. This brand comes from the past few years after having interaction with people, doing project, doing life, solving problem, predicting problem and etc"

"**Visioner** definition in my subjectivity is a person with good skill of predicting problem and predicting benefits. that's why in some cases, my friends tend to choose me as a leader for project."

"**Friendly**, in my subjectivity is a person who easily to make friend. And actually I'm having so much fun if I succeed to make friend then having success together by doing project."

"**Act-oriented** personality become a definitely a must habit for me to do serious project. Because actually I don't really love doing something except it's serious and interesting project. But when it goes to something serious and challenging, it turns me to become act-oriented person."
